Number SA1029NW

This certificate, issued to WESTERN METAL PRODUCTS

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See Type Certificate Data Sheet A16WE)

Original Product — Type Certificate Number: A16WE
Make: Boeing
Model: 737-275C

Description of Type Design Change:

Installation of cargo restraint equipment for the three or five forward cargo pallet positions in accordance with FAA sealed Vinnedge & Associates Drawing List No. 212.

Limitations and Conditions: The approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. The interior arrangement, along with the required placarding, and associated cargo compartment requirements have not been evaluated and is not part of this STC. A copy of this Certificate shall be maintained as part of the permanent records for the modified aircraft. ~~This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.~~
